President- Mark Zupan

What a busy month this has been. This week alone I've driven through Sacramento 5 times. Wednesday was to Willows for the Hooked on Driving lunch and tour. We had a great time on the road tour with a stop at the Stonyford museum and community center. That little town must only have a few hundred people in it but each year those sweet little ladies bake their hearts out for us with a couple of tables of homemade cupcakes and plenty of coffee and water for us. Their tip jar was pretty full of bills when we left. Our visit is one of their big fundraisers for the year and they appreciate the 70 or so corvettes that roar through their town once a year. We had four cars from our club go and enjoy the day.

Today we were back in Sacramento for the President's Mystery Run. We followed the river all the way to Chevys on the water on Garden highway. Nobody guessed our destination so I fooled them all. The Fire & Ice came when we arrived and Me and The First Lady handed out red Fireball and blue Raspberry, vodka, peppermint schnapps jello shots. We had the 2nd floor of the restaurant all to ourselves with indoor and outdoor seating and our own buffet lunch. After lunch the First Lady had a couple of games which we learned a lot of interesting facts about all the past Presidents that were there. We raffled off some liquid Fire & Ice after the games. We have a lot coming up in the next month so get signed up to join in on the fun.

Next Generation Corvette Makes Appearance at Michelin NCM Bash!

The next generation Corvette pulled into Gate B of the Museum, looping the logo circle slowly so hundreds of on-lookers could snap photos and videos. While the car was noticeably quiet during the loop, driver Jon Andrews of Bowling Green did step on the gas and give a good roar as it departed down Corvette Drive.

Hi everyone!

We had a great President's Run! Did anyone figure out where we were going? I think Mark had us all surprised! Once we arrived at our destination we were treated to Fire and Ice Jello Shots. What a way to start our party!

We had the whole second floor of Chevy's to ourselves as well as a private buffet. We had great laughter as we learned a lot about our past Presidents as well as our current President. Did you know one of them has delivered a baby? Amazing facts! Thank you Mark and Denise for organizing a great President's Run!

Rich and Marilyn Allen recently celebrated their 50th Wedding Anniversary! Happy Anniversary Rich and Marilyn, may God continue to bless you and your family!

There are many upcoming events so make sure you sign up before the deadline.

Please send me pictures of any fun activities or travels that you would like to share in the Newsletter.
