DBCC 30th Anniversary! 7/13/19

Taking a break before the party begins!

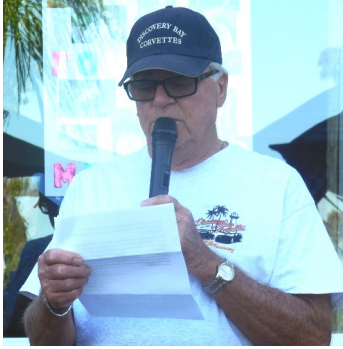

30th Anniversary!

Thank You's to the 30th Anniversary Party Committees!!!

Meeting together once a month for six months, six couples planned, shopped, set-up, decorated and cleaned up a six hour party for 69 Corvette members! Thank you to Brunettos, Anderson's, Cerneras, O'Brien's, Peck's and Zupans.

It began in February of this year when Bob Anderson shared all past notes from the 25th Anniversary with me. We met once a month and formed our committees accordingly, and successfully completed what we set out to do, throw a great party!

I would like to thank Rich and Patti Brunetto for opening up their beautiful home to us. The setting was awesome. Bob and Sue Anderson, thanks for ordering and delivering the meats and cakes. Thanks to Dave Peck for the great deal on alcohol and to Wes Cernera for the deal on wine. Thanks to Dave Peck, Mark and Denise Zupan for picking up and delivering/returning the 50 chairs that Denise arranged for us to borrow at Westmont. In addition, Dave hauled everything to and from the party from the DBCC storage shed. Thanks to Shari Peck, Nancy O'Brien, Denise Zupan for decorating. Also, appreciate the additional help from Paula Sauvadon and Bernie Realph the day of the party.

Setting up tables/chairs/pop-ups/and umbrellas was done very strategically, thanks to Patti's precise calculations as to where the sun would be at the time of the party! We moved and rearranged at least a half dozen times to ensure we had enough shade for 95% of the tables at dinnertime.

Thanks to Susan Jones for helping me make the Signature drink a success. She introduced the Tinto de Verano (Red Wine of Summer) cocktail to me on Mother's Day. I fell in love with it and we decided to change the name a bit and serve it as our DBCC 30th Anniversary signature drink. I appreciate you making our recipe cards and the drink photo. Also, thanks to Calvin and Susan Jones for hauling 18 chairs to and from Rio Vista.

A huge thanks to Lowell Onstad for honoring our Founding Members, to Bob Anderson for recognizing the past presidents and to Ed O'Brien for acknowledging all Member Milestones. Appreciate your sound system also, Ed.

Thank you Patti Brunetto and Bernie Realph for making the pasta salad and the baked beans, delicious!

I would like to thank my son Wes for tending bar, nice job. And, thanks to my Husband Ralph for all the extra touches you added in addition to all the labor. The photo show was a great feature to visit past events and members. Appreciate all your little signs etc, etc.

Many thanks to all of you for all the hard work. We had a great team! I appreciate you all putting up with me.

FROM THE WEBMASTER - July, 2019

Early History of the Discovery Bay Corvette Club

I received the below early club history information, provided by the Onstads, as submitted by our past President and co-founder, Dick Realph. With the upcoming 30th Anniversary of the club, we thought it would make a nice addition to the July newsletter so everyone can share in the history. Below is the reproduction of Dick's original article.

If you have your own humorous or fond remembrance of a past club function or activity, please submit it to Laura Hardt for inclusion in the DISCOVETTE newsletter, to be enjoyed by all.

=====

Offered by Mr. Dick Realph

Year 2000

With the start of the new Millennium "DISCOVERY BAY CORVETTES" has 62 member families, over 120 members, and about that many Corvettes in its' garages. WOW!! I guess it's about time for another club picture, but that's not what this article is about.

I was asked a few meetings ago to write an article on the history and beginning of the club (something like asking an old Hippie to recall the 60's) so here goes;

First a little dull background. Back about 1979, when Bernie and I were dating, GENERAL MOTORS transferred her to Sparks Nevada and we were forced to carry on a long distance romance (awwww). On one of the trips back to the Bay Area her and JaNel couldn't help but notice all the Corvettes headed into Reno for the Memorial Weekend. Returning to Reno she found out about the Reno Corvettes V&T tour. A weekend get together of around 500 Corvettes for showing, dining, dancing, touring, and a parade. We began attending.

Bernie and I moved to Discovery Bay in 1985 and met the owner of "Docks & Decks" who also owned a Corvette (which wasn't white), Bob Anderson. Bob kept saying there were a lot of Corvettes in Discovery Bay and that we should form a club. I kept saying "Yup, we should".

In 1988 Tony and Betty Silva joined Bernie and myself at V&T and a Reno Corvette officer asked at the awards banquet "Where the hell is Discovery Bay?" I guess the prior seven years we hadn't made much of an impact. In 1989 eight couples went to V&T as DISCOVERY BAY CORVETTES and took Club Par, an award Discovery Bay has taken every year since. A week after returning these eight couples met at the home of Ron and Bev Lemos to become legitimate. RON & BEV LEMOS, BOB & SUE ANDERSON, RON & BONNY ALLEN, MIKE EVANS & SHAWN SILVA, BOB & ALICE KEPLER, TIM & JEANETTE SHEAHAN, TONY & BETTY SILVA and DICK & BERNIE REALPH became DISCOVERY BAY CORVETTES.

In the beginning we mostly went to "party" events and hung out, it's amazing to see how the club has evolved. The first meetings were held mostly in homes and then various commercial buildings that we kept outgrowing. We met at the Pizza Parlor (too noisy), the Deli (outgrew in a couple months), the old church at the entrance (now an empty lot), upstairs at SPURS restaurant (now a pile of ash).

In about 1990 a member, Mike Blatz, began seriously going to car shows and thought we should put one on. What started with about a ten car “Show and Shine” at the original Art & Wine Festival, has evolved into the “DISCOVERY BAY CORVETTE CLUB CAR SHOW” drawing 112 Corvettes and producing over \$20,000.00 in donations to various charities in the last 4 years.

The “Gimmick Rally” evolved from the “IDES of MARCH” weekend put on by Santa Cruz Corvettes, a fun weekend with a show, toga party, raffles, and the Sunday rally through the Santa Cruz mountains. Discovery Bay made an almost immediate impact with either Gary Morland or Eddy Eglasias “awarded” a 50# bag of dog food for their rally ability. The first rally Discovery Bay put on we managed to even get some of our local members lost. We netted about \$30.00 but the club had a good time, and that is what this club is about.

It’s near impossible to remember all the people that have made a difference over the years but a few come to mind, Mike Blatz for the car shows, Bob & Darlene Porter for their time and effort on the first “real” car show, Howard & Diane Mathews for consecutive 1st Place in the Lighted Boat Parade, Dick Tomlinson & George Grisswald for the “ Tahoe Tour”, Jim & Linda Pierce for “Discovette” and most recently Jim & Jan Glessner for *discovering* the Laughlin Run. . THANK YOU for making this club what it is.

Hi everyone!

I was saddened to hear that we lost another member of our Discovery Bay Corvette Family. Ron Parker passed away on May 16, 2019. My condolences to his wife Loretta Parker and to the rest of his family. He will be truly missed.

Our 30th Anniversary party was such a great success thanks to all the outstanding organizers. We had fantastic food, drinks and were even able to swim in the pool. At the celebration members were also honored and given certificates for their years of membership and some even received special member badges.

Have you taken a look at the new Mid-Engine Corvette? It looks amazing! Who will be the first member to purchase the new 2020 Mid-Engine Corvette?

Have you signed up for the Inauguration? The deadline to sign up is October 19th but if you are going, don't wait, sign up now.

I wasn't able to attend the Turtle Rock Bar & Nichelini Winery Run because I was on vacation spending time with family so please, if you attended the Run, send me pictures so I can include them in the next Newsletter.
