President- Mark Zupan

8/18/19

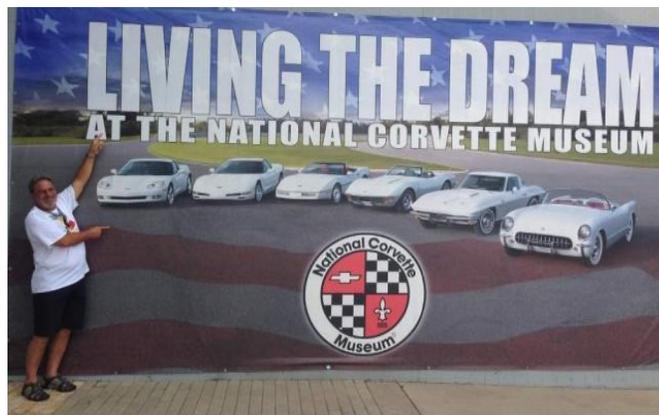

Here we are with summer winding down, but the largest event on my Corvette calendar this year is starting this week. One of my goals in trying to lead this club as President was to get a group from Discovery Bay Corvettes to participate in the National Corvette Museum's 25th Anniversary Corvette Caravan to Bowling Green, Kentucky. At first we had 12 cars in for the caravan. That number is down to 9 cars, (plus one couple flying in), which I still think is a good number from our club. Don Herzer; who is the NorCal/N.NV/Utah (Pacific Central) Captain has indicated in the Redline; we will have the largest group leaving from CA to date.

I am planning to do a personal driving trifecta on this trip. On our way through Colorado I will lead a group on a drive up to the summit of Pikes Peak and back down. Then in Bowling Green, I will be getting out on the NCM Motorsports Park race track on a couple of days of driving fun. After Bowling Green, I will head east to drive "The Tail of the Dragon". It is billed as the #1 touring road in America, with 318 curves in 11 miles. Most hardcore sport bike riders and sports car drivers have this on their dream list of roads to conquer. If you're thinking, poor Denise, well she has opted to stay back at the hotel and relax by the pool, which is a good decision for both of us.

Several of us board members will be away on caravan next month so the meeting will be conducted by our member at large Lowell Onstad.

Livin my Dream

Publications- Laura Hardt

Hi everyone!

I participated in the Cruisin' Blues Car Show on 8/3/19. It was a lot of fun and fortunately, we were able to get a good shady spot and stay cool under tree shade. We also stayed cool by spending time indoors having a great lunch.

August has been a little hectic for me. I injured my foot and also broke a toe. I have been having on and off pain and have been wearing one of those special shoes to help me heal. I'm hoping to get better fast.

We have captured a glimpse of the Corvette Caravan thanks to the submitted pictures. What an amazing adventure! I'm looking forward to hearing about their experience and hope that many will submit pictures and even perhaps write an article for publication in our Newsletter.

We have many upcoming events planned. Please participate in these fun events especially our upcoming Inauguration.
