President- Mark Zupan

Warm and Happy Holidays to everyone.

I really enjoyed our Christmas party at Sweeney's. A big thanks to Shari and Diana for all their hard work and all those who helped them out. I think there will be some smiling faces for all the Christmas gifts our members so kindly gave for the kids who needed them. Of course thanks to the first Lady for her usual fun games. It goes to show these games aren't rigged because I don't think I've ever won any of her games.

I have to give a huge thank you to Denise for being "The woman behind the man" that helped me do my President term, if not for her constant reminding (nagging), I wouldn't have got anything done. Speaking of getting things done, it is my board I have to thank for getting any kind of business done. They went above and beyond saving my butt on anything that involves rules, bi-laws and research. Their combined knowledge and experience is what got anything done.

I am glad we had a good turn out for the 25th National Corvette Caravan. It was one of my goals to get good club participation for that and I feel everyone really enjoyed themselves. I tried to put some fun back into the meetings, not worrying about how long the meetings went and I'm sorry about not always following proper meeting procedures. I believe by the end of my term I actually remembered to ask for a motion to close the meeting.

I enjoyed my time as President, but now looking forward to pass the gavel to Ed and let him have a go at leading this club into 2020!
