# President - Dave Peck

Hello DBCC.

Happy Spring. As I write this the Sun is actually shining. I almost forgot what blue sky looks like. We have a few runs coming up in the next few weeks and I can't wait to get the car out and the top off.

Many of you were not at the last General meeting. I wanted to give you a report on the decision reached by the Board for this year's Inaugural event in November. The decision was reached after information was presented regarding possible venues and dates for the event. Below is a summary of what was presented. Ed O'Brien, Nancy O'Brien and Karen Murphy investigated venues for our upcoming inaugural party, including on-site visits and conversations. Many factors were considered to make the event as inclusive as possible for all members. November 11th was critical to avoid conflict with existing Yacht Club activities, plus we needed an elegant venue with excellent meal, competitively priced, offering convenient location and ingress/egress for all. The search was daunting in this post COVID environment. Costs have markedly increased, and venue dates fill quickly. Some locations didn't have convention/kitchen facilities available or were lacking ease of access. One even required two security guards at \$90/hr. for 5 hrs.! After contacting casinos, restaurants, hotels, and golf clubs, we found an awesome site right here in our own backyard, The Discovery Bay Golf and Country Club!

DBG&CC has rolled out the red carpet for us-- a complete evening package at a price competitive with other venues being considered including a great meal with hosted bar and hors d'oeuvres, with area for after-dinner dancing, valet parking included. This year's event will be a themed function, promising to be a lot of fun.

The Board recognizes that the Inaugural is traditionally an overnight event. We have decided to try to schedule another event later this year that will be an overnight trip to a interesting location. Karen will have more information on this event soon.

I am still hoping to find someone who is willing to take over the Sunshine position until the end of the year. If you have any interest in serving in this position, please give me a call.

Please check out the attached flyer for upcoming events. There is still time to sign up, get the cover off and the spray shine out. I hope you will join us.

Next meeting is Thursday April, 6th. Hope to see you all there.

Enjoy the nice weather. C-Ya down the road.

Dave Peck

## Publications- Laura Hardt

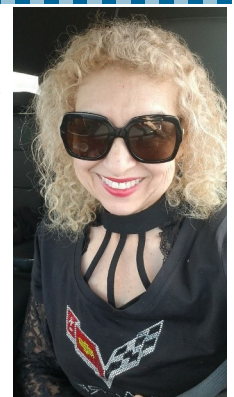

Hi everyone!

We had a great time at the Sacramento History Museum and Rio City Cafe. The Museum was very interesting and the tour was very informative. Unfortunately they did not allow pictures in the underground area. I guess they want you to go see it in person. The food at the Rio City cafe was good and it was nice enjoying everyone's company.

I heard the Car Show at Stama Winery in Lodi was great and that an extensive number of corvettes participated. I'm sure it was amazing seeing so many corvettes!

Congratulations to Ed and Nancy O'Brien on their new granddaughter!

See you soon!
